

## PLAINS LISOS

Sauleda manufactures more than 130 solid colors in 100 % mass-dyed acrylic fabrics to enjoy optimal sun protection.

### SAULEDA MASACRIL®

### SAULEDA MASACRIL® ESPECIAL 💧

Sauleda Masacril® fabrics increase their repellency without losing breathability and have a unique finish that gives them great resistance against stains, which increases color stability and extends their life.

The special treatment gives the canvas qualities and water column resistance of more than 1,000 mm. Its wide range of colors makes it an ideal technical fabric when excellent waterproof results are required.
